The child, who is now aged four years, was one complete mass of disease, and incapable of using any of her limbs. Her body was swollen to were almost entirely covered with large sores. She was = nable to move, and would take no notice of any thing only to shrink from being touched even by her mother. The disease, at the same time, was equally severe inhours. They procured some more of the Sarsaparilla, and before she had taken one bottle she could slip down from the chair and creep across the room. She has now nearly all healed, the limbs are restored to their natura

The following is an extract from a letter received from Mrs. Bevan, who has been afflicted for several years with Scrofulous ulcers, Dyspepsia, &c., and recently with an affection of the Throat and Chest: BAILEYSBURG, VA., Dec. 13th, 1845.

Messrs. A. B. & D. Sands:—Before I commence using your Sarsaparilla, my sufferings were almost past expression; my throat was completely ulcerated, I had a dreadful cough, and there were frequently weeks together that I could not speak above a whisper; and be sides, the inflammation from my throat extended to my head, so that my hearing was very much impaired. Af-per taking the Sursaparilla a short time, my health improved, & my throat is now well; I am free from cough and tightness of the chest as ever I was, and can hea

The Thompsonian, for instance, steams, the Hydropathist shrouds us in wet blankets, the Homopathist deals out infinitissimals, the Pholopathist bleeds and doses us with mercury, and the blustering Quack gorges us with pills, pills, pills.

To give some idea of the amount of the Insensible Per-

This is none other than the used up particles of the blood, and other juices giving place to the new and fresh ones. To check this, therefore, is to retain in the system five-eights of all the virulent maiter that nature desatinets, Kentucky Jeans, Tweed Cassimeres, mands should leave the body. By a sudden transition from heat to cold, the pores are

stopped the perspiration ceases, and disease begins at once to develope itself. Hence, a stoppage of this flow of the juices, originates so many complai It is by stopping the pores, that overwhelms mankind with coughs, colds, and consumption. Nine-tenths of the world die from diseases induced by a stoppage of the Insensible Perspiration. Let me ask, now, every candid mind, what course seems the most reasonable to pursue, to unstop the pores, after they are closed. Would you give physic to unstop ton Pocket Handkerchiefs, Blue Striped and Fan- the pores? Or would you apply something that would do this upon the surface, where the clogging actually is? And yet I know of no physician who makes any exter-nal application to effect it.
